Vision

To be a top ranking institute in Physiotherapy professional education and Centre of Excellence in health science education, health care and health research.

Mission

Students graduating from MGM Institute of Physiotherapy will have the required skills to deliver the quality health care to all sections of the society with compassion and benevolence, without prejudice or discrimination at an affordable cost.

As a research center, it shall focus on finding better, safer and affordable ways of diagnosing, treating and preventing diseases. In doing so it will maintain highest ethical standards.

Mahatma Gandhi Mission

Mahatma Gandhi Mission stands as a true testimonial to Mahatma's dream of creating significant changes in the society by imparting quality education, offering affordable health care and bringing social empowerment in the community for the past four decades. The core values of Mahatma Gandhi Mission have always been in pursuit of excellence in Education, Service and Research. In this successful journey, MGM has established its mark over six campuses located in Aurangabad, Gandheli, Nanded, Navi Mumbai, Parbhani and Noida offering 100+ courses in 75+ disciplines. Mahatma Gandhi Mission has grown leaps and bounds today shaping successful careers in Medical, Physiotherapy, Engineering, Architecture, Computer Science & IT, Biotechnology, Nursing, Management, Agriculture & Food Technology, Classical Dance, Music, Yoga, Naturopathy, Fine Arts, Mass Media and Journalism disciplines apart from chain of schools. MGM has blazed a trail of academic excellence complemented with state-of-the-art infrastructure and highly qualified and competent human resources.

MGM Institute of Physiotherapy

MGM Institute of Physiotherapy was established in the year 2006. The institute has earned academic accolades among all the affiliated Physiotherapy colleges under Maharashtra University of Health Sciences, Nashik. The institute is duly recognized by Maharashtra State OT PT Council, Mumbai. The institute offers undergraduate courses, post graduate courses and doctoral programs (Ph.D) in Physiotherapy.

Academic Vigor

Physiotherapy profession has been widely recognized as a leading healthcare profession that improves and promotes health without medicine or surgery. It provides scientific treatment to patients based on sound clinical assessment and reasoning skills. Hence our physiotherapy academic curriculum has a unique blend of Physiotherapy subjects with a substantial component of pre-clinical, para-clinical, clinical subjects. The institute imparts the academic curriculum as prescribed by the MUHS, Nashik with equal emphasis on classroom lectures, lab demonstrations, clinical trainings, assignments, seminars, case presentations, community orientation, research and student-centric learning methods. This rigorous academic vigor will help the students to acquire skills that will give them a professional competence.

Learning Opportunities

- Highly-qualified, competent and dedicated faculty members
- Regular Continuing Professional Development (CPD) programs
- Well lit, ventilated, and spacious classrooms with modern audio-visual teaching aids.
